Behind the scenes at Redland Red Angus

Redland Red Angus is a family operation but yet it all couldn't come together without the help of a very talented crew. With an irrigated farm operation and native grazing for the cows, the outfit couldn't operate as successfully as it does without our crew:

Chad and Erin Fink

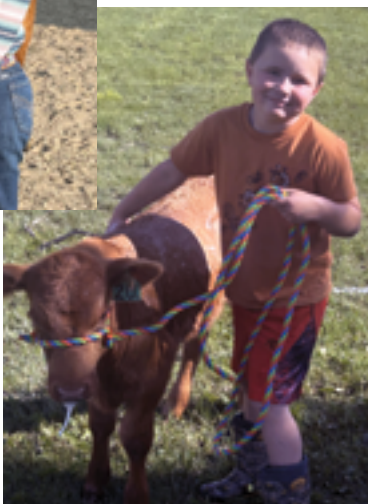

Chad and Erin can be found riding pastures, calving, feeding and fence and well maintenance. They are instrumental in spotting fires throughout the summer and are a large part of the Hysham Volunteer

Fire Dept. They keep an eye on all that happens on the range in the Hysham Hills and are always lending a hand in the feedlot as well.

They have two big helpers! Reagan is 14 and can be seen riding side by side, gathering with her folks. Reagan is also actively involved in 4-H.

Hazen is 7 years old and enjoys all the animals! He helps ride at times and takes good care of the bum calves.

Larry and Vicky Fink

Our sale office could not run without the efficient manner of Larry and Vicky.

Matt Lane

This is the fourteenth year that Matt Lane has ultrasounded the bulls. We feel it is an important part of our operation and we value the information he provides. Carcass is an important part of the industry and we have been breeding for it since the 90s.

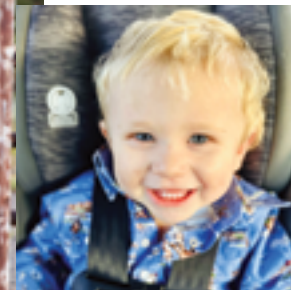

Treasure Vet Service

Dr. Dick is just a phone call away for us. He fertility tests the bulls as well as provide us with answers to any and all health questions.

Jared and Lara Halverson

Jared has worked for us for a number of years. You can find him hauling and stacking hay, feeding, irrigating, mechanicing, as well as the numerous other jobs around the farm. Gunnar

is their 1-year-old little boy. He is into tractors, trucks and toys, and all little boy things.

Clark Pinkerton

Brand Inspector Clark is invaluable in getting us the paper work to get the cattle on the road.

Jensen Cattle Services

Tanner Jensen has been trimming our bulls for eight years now. He does a great job on the bulls and we value the care that he takes with them.

Contour has been a main stay in our operation for a few years now! We really like his calves and his females. He has improved the carcass in our herd tremendously...we just can't say enough good things about him! He has been used AI on all the commercial heifers the last 4 years. They calve easy and really grow! This last year at the Rosebud/Treasure county fair there were 5 Contour steers represented. They all graded Prime, and Liz's was the Grand Champion! As a yearling Contour had an actual REA score of 13.9 with a marbling score of 8.6 and he is in the top 3% of sires for his marbling EPD and top 12% of sires for Grid Master index. This year there are 8 sons in the sale! They have an average BW of 86 pounds and average WW of 659 pounds.

Spartacus is an AI sire we have used quite a bit. In the semen catalog they say he is powerfully made and stout boned. His calves have been the same! They really rise to the top as you walk through the pens. They have good dispositions, are easy to calve and show a lot of growth. They are deep sided, thick made, with a good hip. Check out them out sale day. There are 10 sons in the sale with an average BW of 84 pounds and WW of 683.

This is our second calf crop out of Stockmarket and we have liked what we have been seeing. They just flat stand out from birth to weaning and beyond. They are very stylish, eye appealing cattle, thick topped, with a really nice hip! He is in the upper percentiles from birth to growth and it carries on into his carcass traits. He is in the top 1% for Marbling and top 25% for REA. There are 9 bulls in the sale. They have an average birth weight of 83 and 689 at weaning.

Exceptional is a son of Redemption which we have used a bit in the past, but what really drew our attention to him, was his dam was a Messmer Packer. Packer semen is hard to find these days! Exceptional is in the upper percentiles for most of his EPD's but the most impressive is he is in the top 3% for Marbling and the top 15% for Grid Master. Combine that with his calving ease as well as growth and he rises to the top. There are 8 sons in the sale this year and they definitely deserve a second look! They had an average birth weight of 86 and average weaning weight of 694.

Not to mention his carcass numbers are top of the breed as well. Grid Master is the top 24%, and Marbling in the top 19%. His calves are consistently coming to the top and to top it off they have a very good disposition! There are 4 sons in the sale with an average birth weight of 84 and average weaning weight of 670.

Fancy Commercial Red Angus Yearling Heifers

We have 50 commercial replacement yearling heifers selling in groups of five. The high bidder gets their choice of five or as many in groups of five as they would like. The heifers will go to top bidder by gate cut.

Dear Friends,

Welcome to our annual spring sale! As I sit down to write this letter, we have just made it through a severe cold spell that was pretty widespread. We are now on the other side with sunny and nice weather. It is just another example of how farmers and ranchers are the eternal optimists and constantly looking to the future! With that we are looking to the future of the cattle industry and the Red Angus breed with this sale.

This is a nice, sound set of bulls we have selected for you! We have changed the catalog up a bit, to aid you in your bull selection. The HB (herd builder) and GM (grid master) EPDs are indexes that were implemented to maximize profitability. The bulls are cataloged in sale order and so the Gelbvieh/Balancer bulls are mixed throughout. Red Angus bulls are printed in red and the Balancer bulls are brown. There is something for everyone, as we are offering calving ease, growth, with a lot of quality carcass traits mixed in. As in years past we are feeding the bulls to optimize their feet and legs to provide a more work ready set of bulls. They are growing out well and will be ready to go to work for you. We will feed the bulls until April 1st, but if you take them with you the day of the sale, we will give \$50 off per bull. In addition, the scrotal circumferences and carcass information will be available sale day.

In addition to our work ready set of bulls we are offering 50 Red Angus commercial females for sale. They are a super nice group of heifers that would work into any program. They are a quiet, sound, deep, thick group of heifers. They will be selling in groups of 5. The highest bidder will have their choice of the number they would like to take from 5 to all 50. They will be sorted and hauled out by gate cut.

Frontier Live Sale will again be providing video, phone, and internet bidding sale day. The videos will be available through our website www.redlandredangus.com or on www.frontierlivesale.com. As with the previous years we will be running the videos during the sale.

We always look forward to hearing from you and will try to help in any way. Stop in anytime to view the cattle, visit, or just have a cup of coffee and a bite to eat. Meeting and visiting all the people is one of the things that we enjoy most about being in the cattle business.

Last but not least we would like to thank everyone for their support! Without our loyal customers we couldn't do the thing that we love! We really appreciate your interest in our program. Have safe travels and we hope to see you on the 2nd.

**From all of us at Redland Red Angus
Shirley, Bob and Cathy, Chad, Jenny, Elizabeth, and Joseph
Al, Ruth, Marc, Mary, Mason, Madelyn and Ali.**
